Product specification

Manufacturer	SEMPRE	Unit	bucket
EAN	5908249175037	Coverage	ca 11 m2/l
Warranty	12 miesięcy od daty produkcji		

Acrylic interior paint dedicated for decorative and protective coatings in residential, office, catering, etc. rooms. . Matt, low solvent emission. The paint coating acquires its functional properties after it is completely dry.

The resulting layer has the following properties:

- allows water vapor to pass through
- completely odorless
- excellent adhesion to typical construction substrates, also covered with coatings based on acrylic resins
- very efficient
- completely ecological
- high degree of whiteness
- easy to apply
