

Flexible and frost-resistant adhesive mortar **SEMPRE FORTE 25kg**

Manufacturer	
Weight	25.00 kg
Product Code	FORTE
EAN	5908249173644
SKU	001226
IBB ID	11076

Product specification

Manufacturer	SEMPRE	Unit	bag
EAN	5908249173644		

Adhesive mortar designed for gluing ceramic tiles, such as glaze and terracotta (with the exception of stoneware tiles, marble and travertine) on rigid non-deformable substrates inside buildings, and frost-resistant tiles outside buildings in places not exposed to deformations due to temperature changes. Resistant to water, frost and other weather conditions.

Thanks to excellent technical and performance parameters, it is efficient and convenient to use.

TYPE: C2TE
