Bathroom towel radiator Uncommon 900x500mm 360W graphite

A modern bathroom radiator made of rectangular strips.

The asymmetrical arrangement of the radiator's vertical collectors gives it a decorative character, while also making it easier to hang towels.

The radiator in graphite is ideal for a small bathroom.

Package contents:

Radiator, plug, air vent, wall mounting brackets.

Note:

Valves and additional accessories visible in some photos are not sold with the radiator and must be purchased separately.
