

Paint roller FINISH 25cm

Manufacturer	
Weight	0.15 kg
Product Code	365 250
EAN	5904215702504
SKU	000954
IBB ID	10367

Product specification

Manufacturer	BOWI	Unit	pcs
EAN	5904215702504		

Top-quality, high-performance polyamide material.

Strong and solvent-resistant fibers increase the use of the roller not only for water-based paints, but also for two-component paints. The 10 mm high fiber pile limits the use of the roller to even or slightly rough surfaces inside buildings. The roller is characterized by high absorption and efficient paint delivery. In addition, it is very easy to clean and can be used many times after drying.
