

Single-component adhesive-sealant based on hybrid polymers HY 2.0 750ml

Manufacturer	
Weight	0.80 kg
Product Code	501536
SKU	004146
IBB ID	14046

Product specification

Manufacturer

Torggler

Unit

pcs

Single-component adhesive-sealant based on hybrid polymers with a composition that provides resistance to mold, for paintable flexible filling, gluing and sealing of joints, in construction and industry in general.

Binding and hardening occurs by reaction with atmospheric humidity.

The product belongs to the HY 2.0 fence assembly system.

- Material intended for flexible gluing and sealing of joints and welds in construction and industry.
- Formula that provides resistance to mold and is paintable.
- Binding and hardening occurs by reaction with moisture from the environment.
