Product specification

Manufacturer	QBRICK SYSTEM	Unit	pcs
Colour	black	EAN	5901238255130

The latest generation assembly adhesive for all typical applications inside and outside buildings - glues - repairs - fills. The product was developed based on hybrid polymer technology and can be successfully used for a wide range of materials and surfaces. Provides extremely durable fixation of glued elements - 30-year warranty on the durability of the joint. It allows for high comfort of work due to the lack of irritating odor, ease of application, versatility, strength, speed, flexibility and lack of shrinkage. It hardens under the influence of moisture and can be used on damp substrates. Contains no solvents, isocyanates or silicones.
