Brand	COMENSAL BRAVO
Manufacturer	
Weight	0.68 kg
Product Code	101-00
SKU	000685
IBB ID	10008

Product specification

Manufacturer	COMENSAL	Unit	pcs
Brand	comensal bravo		

A small COMENSAL styrofoam trowel designed for floating, leveling and smoothing plasters.

Highly compressed polystyrene has a compact structure. The trowel is hard, but more flexible compared to the rigid polyurethane one.

The greatest advantage of the polystyrene trowel is its lightness, which is why it has enjoyed constant interest among builders for years and is a sales hit.

The COMENSAL polystyrene trowel without joints, made of one piece, is durable and ready for hard work.

It comes in various sizes and shapes, also allowing you to reach hard-to-reach surfaces and nooks and crannies.

Table top size: 270x130mm

Tabletop thickness: 20mm
